#### KNOWING OHIO'S LIVESTOCK TAMPERING LAWS

**Dr. Tony Forshey, State Veterinarian with the Ohio Department of Agriculture recently shared some tips on Ohio's Livestock Tampering Laws** - Summer marks the beginning of fair season – a time when thousands of 4-H youth all across the state showcase the animal projects they have spent so much time perfecting. As these hard working kids gear up to show their animals, I want to encourage all exhibitors to be aware of livestock tampering rules so they do not accidentally disqualify their market animal projects. Some key things to keep in mind as you prepare your animal for the show ring:

- If an animal is sick, the exhibitor should contact the veterinarian.
- Prescription medications must be prescribed by a veterinarian for a valid medical purpose.
- Extra-label use of any medication must be prescribed by a veterinarian and have an extended withdrawal time.
- Over-the-counter drugs must be used according to label directions for a valid medical purpose.
- Showing any livestock which has been administered a drug that exceeds the tolerance level, or a drug for which the withdrawal period has not elapsed, is prohibited.

Other prohibited practices include: exhibiting an animal which has been tranquilized, making a false statement on a drug use notification form, failing to file or update a drug use notification form, negligently causing an unlawful substance to be present in an animal, or failing to sign a chain of custody form. If you have questions, calling the right person can make all the difference.

Animal exhibition is an important part of youth leadership development and preparation for future food and livestock production. Lessons learned in the show ring prepare youth to be the next generation of successful, responsible food animal producers in our state. In addition to providing us with necessities like food, milk, shelter, and even fuel, food and agriculture provides one in seven people with jobs and generates \$105 billion to the economy. As our population continues to grow, livestock exhibitors will become even more important in passing our agricultural traditions to future generations and helping to provide much needed food and agricultural products.

These letters serve as a way for school administrators to verify 4-H members who may be participating in the 3 local fairs. This letter does not excuse your student from school, it only serves as a way for administrators to verify members. It is recommended that you (the parent) send a letter to school before the day of your child's absence, and ask to have the absence pre-approved so it may be considered an excused absence. We also recommend that you contact each of your students' teachers and be sure to get the assignments they will miss. Please understand it is the parent's responsibility to send in the parent note and ask for the absence to be excused. If you have additional questions please call your child's school administrator.

## Inviting buyers and bidders

1. These guidelines are for all three fairs (Waterford, Washington County and Barlow).
2. It is the responsibility of exhibitors to ask area businesses to bid on their market livestock projects.
3. Exhibitors need to ask area businesses to bid on their projects for EACH fair where they will be selling an animal.
4. The "ask" can be done by sending letters with details about the project. But, buyers state the "ask" is most effective and appreciated when the exhibitor visits the business owners in person.
5. When visiting area businesses, youth should be accompanied by an adult. The exhibitor should introduce themselves, their project and why the business should attend an auction at an area fair.
6. **Free tickets** are available for potential bidders.
  - A. All 2014 and 2015 buyers are listed in the Jr Fair Guide.
  - B. All of the 2014 and 2015 buyers get passes to the 2016 sales for all three area fairs. Passes are mailed in July.
  - C. If an exhibitor would like to invite a bidder/buyer who is not on this list, they need to call the OSU Extension office to request a buyer packet be sent to the new potential bidder. Exhibitors and parents cannot pick up the packets themselves, at the request of the cooperating fair boards.

## Thanking Buyers

1. It is the responsibility of the exhibitor to properly thank the business or individual who buys their project.
2. The minimum thank you at the fair should be finding the buyer and shaking their hand in appreciation, along with giving them a picture of the exhibitor and the project animal. It is not necessary to provide a token of appreciation at the fair.
3. Exhibitors should personally visit the business/individual after the fair for a proper thank you.
4. Each year, the fair boards and committees purchase a full page ad in the Thanksgiving Day edition of the Marietta Times. Exhibitors are encouraged to take a copy or mail a copy of this ad to their buyers.

## 2016 Buyer Appreciation Receptions

1. Exhibitors should be ready for the sale and have their animal ready before the receptions begin.
2. Exhibitors need to greet buyers and invite them to register for a buyer number and enjoy the reception.
3. Hog Sale, Saturday, Aug. 20 at 3:30 pm

### New or first year exhibitors

are to make a poster thanking all previous year's buyers.

**Judging** based on originality, neatness and creativity in relaying a "Thank You" message to last year's livestock buyers. **Exhibitor's name and age must appear on the front of the poster.**

# 4-H Camp 2016

The 2016 4-H camping program has come to a close. We had a very fun and exciting year. Each of our four camps, Cloverbud, Beginner, Junior, and Senior had a growth in numbers. With our Junior Camp growing over 20%! In addition to our campers, we had an amazing group of teen counselors. Please look for information in January about becoming a camp counselor. Any teen aged 14-18 years by January 1<sup>st</sup>, 2017 (4-H age), can apply to be a counselor. You don't need to be a 4-Her! We offer a Camp Counselor's Club for those who are not currently a 4-Her.

Earlier this year, we send out around 300 letters to area businesses and individuals and received over \$1300 in donations. With these donations, we were able to purchase supplies and other necessary items for the camps as well as give 14 scholarships to campers and counselors. These

donations were vital in helping kids attend camp who may not have been able to in years past.

Please look for information about the 2017 camping season in January!

*Did your camper come home from camp with fewer items than what they left with? Come to the Extension Office and take a look at the lost and found!*

## Hervida Happenings

The Hervida 4-H Camp Board is happy to announce the recent hiring of Zack Waite as our new Camp Manager. Zack is a long time Hervida supporter and Volunteer and we are thrilled he has taken on this challenge along with his other responsibilities. He started July 1st and we hope he will be here for a long time!

### GET YOUR TICKETS!!

250 Club tickets are still on sale for the 2016-17 drawings. The present drawings (dark green tickets) will finish in August with the big winners. Tickets can be purchased from a board member, or call 740-568-8044. The \$52 ticket puts you into 52 weekly drawings for \$100, and final drawings for: \$125, \$250 and \$500.

Mark your calendars for the Annual Building Fund Dinner Drawing and Silent Auction, November 12. Tickets will go on sale in September.

### Lemonade Shake Stand Time!

The Ohio River Sternwheel Festival will happen the weekend after the county fair, September 9 - 11. Hervida 4-H Camp runs a lemonade shake stand at this event as a fundraiser for facility improvements. 4-H'ers, advisors, and alumni are asked to support this fund raiser by being workers at the stand as a community service project.

Workers can be lemon cutters and squeezers; sugar, ice and water measurers; shaker-uppers; and sellers during two-hour shifts. This is an opportunity for 4-H'ers to develop their leadership, communication and teamwork skills. We prefer that workers be older 4-H'ers (over 10 years old). For more information, please check with your advisor or call Kathryn at the Extension Office, 376-7431.

Another way to contribute is by donating bags of sugar, boxes of 16 oz. foam cups, boxes of straw-slotted lids for the 16 oz. cups, rolls of paper towels and/or boxes of sugar substitute packets. Please let Kathryn know by August 10 (before the shopping begins!), if you plan to donate any of these items. We hope everyone will stop by the stand and support the fund raiser by puckering up with a tart but sweet refreshing drink!
