WASHINGTON COUNTY 4-H

Inviting buyers and bidders

1. These guidelines are for all three fairs (Waterford, Washington County and Barlow).
2. It is the responsibility of exhibitors to ask area businesses to bid on their market livestock projects.
3. Exhibitors need to visit and ask area businesses to bid on their projects for EACH fair where they will be selling an animal.
4. When visiting area businesses, youth should be accompanied by an adult. The exhibitor should introduce themselves, their project and why the business should attend an auction at an area fair.
5. **Free tickets** are available for potential bidders.
 - A. All 2016 and 2017 buyers are listed in the Jr Fair Guide and ALL of these buyers get passes to the 2018 sales for all three area fairs. Passes are mailed in July.
 - B. If an exhibitor would like to invite a bidder/buyer who is not on this list, they need to call the OSU Extension office to request a buyer packet be sent to the new potential bidder. Exhibitors and parents cannot pick up the packets themselves, at the request of the cooperating fair boards.

Thanking Buyers

- It is the responsibility of the exhibitor to properly thank the business or individual who buys their project.
- The minimum thank you at the fair should be finding the buyer and shaking their hand in appreciation, along with giving them a picture of the exhibitor and the project animal. It is not necessary to provide a token of appreciation at the fair.
- Personally visit the business/individual after the fair for a proper thank you.
 - Each year, the fair boards and committees purchase a full page ad in the Thanksgiving Day edition of the Marietta Times. Exhibitors are encouraged to take a copy or mail a copy of this ad to their buyers.

4-H Camp 2018

The 2018 4-H camping program has come to a close. We had a very fun and exciting year. Each of our four camps, Cloverbud, Beginner, Junior, and Senior had a growth in numbers. With our Junior Camp growing to 117 campers and Cloverbud Camp to 100! In addition to our campers, we had an amazing group of teen counselors. Please look for information in January about becoming a camp counselor. Any teen aged 14-18 years by January 1, 2019 (4-H age), can apply to be a counselor. You don't need to be a 4-Her! We offer a Camp Counselor's Club for those who are not currently a 4-Her.

Did your camper come home from camp with fewer items than what they left with? Come to the Extension Office and take a look at the lost and found!

Hervida Happenings

GET YOUR TICKETS!!

- 250 Cub Tickets are now on sale from board members or call 740-568-8044. The \$52 ticket puts you into 52 weekly drawings.
- Mark your calendars for the Annual Building Fund Dinner Drawing and Silent Auction, November 10. Tickets will go on sale in September.

Lemonade Shake Stand Time!

The Ohio River Sternwheel Festival will happen the weekend after the county fair, September 7 - 9. We are currently seeking volunteers for 1-3pm, 3-5pm, 9-11pm on Friday evening. Hervida 4-H Camp runs a lemonade shake stand at this event as a fundraiser for facility improvements. 4-H'ers, advisors, and alumni are asked to support this fund raiser by being workers at the stand as a community service project. Workers can be lemon cutters and squeezers; sugar, ice and water measurers; shaker-uppers; and sellers during two-hour shifts. This is an opportunity for 4-H'ers to develop their leadership, communication and teamwork skills. We prefer that workers be older 4-H'ers (over 10 years old). For more information, please check with your advisor or call Jane Lennox at 740-568-8044

2019 Endowment Dinner

The 2019 Washington County 4-H Endowment Dinner/Auction will be held on **SATURDAY, APRIL 6.** Mark your calendars!

Another way to contribute is by donating bags of sugar, boxes of 16 oz. foam cups, boxes of straw-slotted lids for the 16 oz. cups, rolls of paper towels. Please let Jane know by August 10 (before the shopping begins!), if you plan to donate any of these items.

We hope everyone will stop by the stand and support the fund raiser by puckering up with a tart but sweet refreshing drink!

How Do 4-H Cloverbuds Spell Team?

By Janine Yeske, Extension Educator, 4-H Youth Development
Jefferson County (OSU Extension)

How do Cloverbuds spell team? Of course, they spell it the same way everyone else does! Here are some fun team builders for your Cloverbud clubs with just a few variations from the older club version.

1. Find a Cloverbud Activity - Give each Cloverbud an activity card and ask them to fill it up with other Cloverbuds' signatures that match the feature/trait in each box. With Cloverbuds, play until everyone has his/her entire card filled so the emphasis is on talking and sharing the activity card. (*Find a Cloverbud* activity is available on the Cloverbud Connections website at <http://www.ohio4h.org/volunteers/cloverbud-leaders/click-it-print-it-do-it-activity-pages>.)
2. Beach Ball Games- All kids love beach balls- no matter what their age. Here are a few beach ball games that Cloverbuds will love.
 - a. Ask all Cloverbuds to stand in a circle. You start by passing the ball to a Cloverbud member and saying your name. That member must then pass the ball to another Cloverbud and say his/her name. Continue until everyone in the group has had the ball and said their names. The last person then throws the ball back to you.
 - b. The second step is a little trickier. You pass the ball to a Cloverbud, but this time, say that person's name. Again, do this until all Cloverbuds have had the ball. The important thing to tell the group is that they need to remember who they got the ball from and who they threw it to so they can establish a pattern. Ask the Cloverbuds if they know what a "pattern" is. Define it for them and ask if they are familiar with the word.
 - c. After you have established this pattern, try to "group juggle." Throw the ball in the same pattern as before and try to make it go around the circle a little faster each time- always catching from and throwing to the same people as before. If your group can handle it, add another beach ball so your group will be "juggling" two balls!
3. Build a Structure. Building is a great team builder because it causes members to think, talk and share ideas with each other. In this game, you will need to bring in some fun materials and ask the Cloverbuds to build a structure- perhaps a house that one of them can actually sit in when it is finished. If you have more than four members, break your group into smaller groups of three or four. Since we do not want this to become competitive, bring different materials for each group. When the time is up, each small group can show their structure to the whole group and tell about how they built it. Some ideas for structures: newspaper and duct tape, pool noodles and duct tape, or spaghetti and marshmallows (if you have older Cloverbud members who can handle the motor skills required.)
4. Play School Bus. Tape a line of duct tape down the middle of the room. Choose a bus driver. Driver shouts out pairs of stops, for example, cats or dogs. Participants who like cats must sit on right side of bus (tape) and those who like dogs must sit on left side of bus. Go through several stops including: Loud/quiet; Save/spend; Hamburger/salad; Fruit/vegetable; Fast food/home cooked; vanilla/chocolate. This activity is a great team builder because it teaches group members that they probably have something in common with almost everyone.
 
5. This may be my favorite Cloverbud team builder. Cook together! Or, at least do something with food! Ask all Cloverbuds to bring in an ingredient for whatever you choose to make. Some great ideas: soup, sundaes, or trail mix. Ask all the Cloverbuds to bring their ingredient to the table. (Bring a few ingredients yourself in case someone forgets to bring something.) Put everything together and serve your creation. A food creation is like a group of Cloverbuds. Everyone brings something unique, but when you put it all together, it is great!
