WASHINGTON COUNTY 4-H

4-H Endowment Fundraising Report

The Fundraising Committee would like to thank all the individuals, families, clubs, and businesses that helped support the April event by providing silent auction items, live auction items, door prizes, grab bag items, cash donations, food and volunteer hours!

The event was super successful with 450 tickets purchased. The event raised over \$27,000 (a new record!) for current 4-H programming in Washington County and to add to our current endowment. Plans are also being made to purchase an ice maker for the Jr Fair Building.

It takes a mountain of volunteers and community support to conduct an event like this. We are grateful to have such strong support from our 4-H clubs and families to work the event, secure donations as well as setup and teardown.

Mark your calendar for April 6, 2019 as we come together for another fun time and celebrate 4-H!

The fundraising committee will be hosting a new event at the Washington County Fair featuring Katie's Pancakes. This will be a Pancake Flippin' Breakfast Show on Labor Day from 8-10 am in the Jr Fair Building. Cash donations will be accepted as you catch your pancake and enjoy a great breakfast!

Items Needed:

The Endowment Committee is in need of 2 large chest-type coolers and a couple of 18 qt roasters. All donations are appreciated!

JUNIOR FAIR ACTIVITIES GUIDE

There are several updates/changes for each of the fairs. Make sure you have a copy! You can get copy from the Extension Office or online at www.go.osu.edu/jrfairguide

2018 SKILLATHONS

Project judging and skillathons allow youth to demonstrate and review what they have worked on and learned throughout their project year. The 4-H Advisory Committee has determined this piece of the 4-H project process is important and is part of the requirements for 4-H membership. The 4-H Advisory Committee, Livestock Committees and Senior Fair Boards have determined that skillathons meet the criteria for project judging.

ALL livestock (market, dairy, breeding, fancy, and/or horse) project members are **required** to participate in skillathons for **each** specie project they have enrolled in. Skillathons are **required** for all livestock and horse project participants in order to remain 4-H members in good standing and be eligible to exhibit, participate, show and/or sell their project animals at all three fairs. FFA youth taking hogs and/or Feeder calves, Market Dairy Goats, or Market Ducks should contact their FFA teacher for project requirements and eligibility. FFA Youth are **Required to participate in skillathons** for all animals sold at the Washington County Fair. To help this process and coordinate efforts of youth and volunteers **ALL** Skillathons will be offered:

Saturday August 4, 2018

Washington County Fairgrounds

8:30-12:30 - hogs, beef, dairy feeder steers

8:30-11:00 - goats, lambs, poultry

11:30-12:30 - dairy, horse (except horseless horse),
rabbit (except pet rabbit)

Make-up day: August 7 (6:00pm—8:00pm)

(limited space, calling to reserve an appointment is required--no make-up times will be available before August 7)

******LIVESTOCK SKILLATHON STUDY GUIDES**

can be found on the web at: go.osu.edu/washjudging or pick up a copy from the Extension Office. The study guide provides all the information you will need for the skillathon. ****

Tag-in Days are Coming!! **Waterford Community Fair**

- ♦ Hog Tag-in, Monday, June 4, 6-7 pm at the Waterford Fairgrounds

2018 Special Interest Project Judging—July 17

Tips for Judging Day

10. Have your project book completed before the day
9. Dress nicely (make a good first impression)
8. Prepare a poster board or binder with information, or bring a couple of “tools” you used to complete your project (you can later display this in your club’s booth at the fair)
7. Stay close to your materials, do not leave them unattended, accidents happen
6. Review your projects before judging day
5. Don’t be afraid of talking to the evaluators, they are interested to learn more about your project
4. Answer questions the best you can and if you don’t know something, just say so
3. Relax, everyone gets nervous
2. Take a deep breath and smile
1. Be yourself - The judges want to meet you and see your projects!

If you cannot attend July 17, there will be Make-up Day on August 7 from 6—8 pm at the Cattle Barn at the County Fairgrounds by appointment only. Call 740.376.7431 for an appointment

All of these projects must be judged to be eligible to display at the fair and continue to be a 4-H member in good standing.

4-H Project Requirements

Project Judging requirements can be found on the web at go.osu.edu/washjudging or pick up a copy from the Extension Office.

The 4-H Project Requirements list each non-livestock project and what you need to bring to judging and what to exhibit at the fair in your 4-H booth.

Ohio State Fair Project Orientation Sunday, July 22

4-H members who are selected to represent Washington County at the Ohio State Fair, should plan to attend the State Fair Orientation on July 22, 2018, 1:30pm at the Extension Office. This is a time for members, parents, and advisors to become familiar with State Fair judging, directions to judging venues, plus ideas on how to take projects to a new level for State Fair interviews and judging will be shared. Photos for the media will also be taken.

4-H members selected as State Fair representatives at County 4-H Project Judging will receive notification of their project judging day and time at the State Fair. If you are selected as a State Fair representative, it is very important for you to let the office know as soon as possible if you are able to participate. If you are able to participate, we need time to get you the details, tickets and maps you will need for your State Fair trip. If you are unable to participate we will need time to contact alternates. The Ohio State Fair can be an awesome experience for the whole family!

Going to the Ohio State Fair as a county representative can be a wonderful opportunity. It is a time to meet others from around the state, learn more about your project interest, and gain useful interviewing skills. Many 4-H’ers feel they are not ready or too nervous to take this opportunity but it can be a fun adventure filled learning experience. We hope the State Fair Orientation and encouragement from parents and advisors will give those members selected for State Fair the tools they need to take the adventure!

4-H Camp 2018

Hervida: Safari Adventure

...is the theme for the 2018 Washington County Junior and Senior 4-H Camps. Come join your friends, and meet some new ones, in this fun summer tradition. First priority will be given to 4-H members until June 1. After that date, the camps will be open to non-4-H members as well as 4-H members until the camps are full. For more information, and to download a registration form go

4-H CAMP DONATIONS/SPONSORSHIPS

The cost that each camper pays ranges from \$40 for Cloverbud to \$200 for the week long Junior and Senior Camps. The Counselors are also expected to pay from \$110-140 based on their years of experience. As you can imagine, there is a lot of expense incurred in running the camps. The costs range from \$25,000 to \$30,000 per year. We want to enable as many children and teens as possible to have the opportunity to learn and grow at our camps. This is where we can use your help. We are looking for donations and/or sponsorships. These donations can range from sponsoring one or many campers and/or counselors by paying their fees, donating food or beverages to use at camp, donating items to make decorations or use for crafts classes, donating money to pay for the shirts needed for camp, or just a simple monetary donation that can be used for any purpose. If you are willing to donate or sponsor any of the items listed above, please contact me, Martha Webster, at marthaw09@gmail.com or 740-350-7585. If you would like more information about the 4-H Camping Program, please visit: <http://go.osu.edu/hervida> Thank you for your time and consideration!

Hervida Happenings

Lemonade Shake Stand Time!

The Ohio River Sternwheel Festival will happen the weekend after the county fair, September 7 - 9. Hervida 4-H Camp runs a lemonade shake stand at this event as a fundraiser for facility improvements. 4-H'ers, advisors, and alumni are asked to support this fund raiser by being workers at the stand as a community service project. Workers can be lemon cutters and squeezers; sugar, ice and water measurers; shaker-uppers; and sellers during two-hour shifts. This is an opportunity for 4-H'ers to develop their leadership, communication and teamwork skills. We prefer that workers be older 4-H'ers (over 10 years old). For more information, please check with your advisor or call Jane Lennox at 740-568-8044.

Another way to contribute is by donating bags of sugar, boxes of 16 oz. foam cups, boxes of straw-slotted lids for the 16 oz. cups, rolls of paper towels and/or boxes of sugar substitute packets. Please let Jane know by August 9 (before the shopping begins!), if you plan to donate any of these items. We hope everyone will stop by the stand and support the fund raiser by puckering up with a tart but sweet refreshing drink!

Fundraising

The Oak Grove Explorers 4-H Club will host the 5k Run/Walk for Hervida on Saturday, June 2 at 8 a.m. starting at the Oak Grove Recreation Center, 535 BF Goodrich Road, Marietta,

OH. The pre-registration fee is \$12 and must be postmarked by May 18. After May 18, the registration fee is \$15. Registration forms are available at Proceeds from the event benefit Hervida 4-H Camp. For more information or questions, contact Andrea Ralston at 740-350-4669 or email andrea-bralston@gmail.com

4-H Cloverbud Kits Available from OSU Extension

Call (740) 376-7431 to reserve a kit for your next meeting!

Are you looking for a fun activity to do at your next club meeting? Something educational and fun? Then check out these kits from the Extension Office.

Weather Fun – Have you ever noticed that everyone likes to talk about the weather? When you're with a group of people and you can't think of anything to say, why not bring up how great (or how nasty) the weather has been? 4-H Cloverbuds can now talk about the weather, too! And they will probably have more knowledge than most of the people around them... if they've been to the session where you have taught the new "Weather Fun" Cloverbud kit! The kit is made up of songs, games, crafts, snacks, stories, and science experiments.

LEGO Building Kit – Cloverbuds work in small groups to design and construct projects using LEGO bricks. The kit also comes with an optional motor to create moveable designs. Cloverbuds build a project and then present their invention to the other members and answer questions. A great hands-on, group activity! Teams can also participate in the annual 4-H Cloverbot Challenge held at the Ohio 4-H Center in Columbus.

Our Country Kit - Students will learn about our country and how to fold a flag, put together a floor puzzle of the United States, learn about the history of the 4-H flag, weave a 4-H flag, sing patriotic songs with a CD, learn fun facts about Ohio and enjoy a children's book about America Is... The kit also contains a teacher's notebook with the Our Country Curriculum.

Sports Fun - play sports bingo, and help kids learn skill building through fun sports activities.

The Science of Sound - Cloverbuds will learn all about sound with sound experiments, participate in sound matching activities, play music on pipe chimes, color their way through a listening skills activity, play games, learn about Sounds All Around from a children's book, and have fun with sound clips on a CD. The kit also includes a teacher's notebook with the Science of Sound Curriculum.

Fitness is Fun - Cloverbuds will learn about physical fitness and the importance of exercise. Using nationally known Half-pint Skillastics™ children will be introduced to a variety of fun exercises and learn the importance of fitness. The kit also contains bean bag activities, children's book and teacher's notebook with Fitness is Fun Curriculum.

Food Fun – Cloverbuds will learn about My Plate, play food bingo, enjoy a music CD, read about Eating the Alphabet, experience healthy snack ideas, and understand serving sizes using food models. The kit also includes a teacher's notebook with the Food Fun Curriculum.

GLO-Germ – Glo-Germ stands out as an effective way to show Cloverbuds just how easy it is to overlook proper hand washing and cleaning. Using a black light, members really get to see how well they washed. Not enough can be said about how important cleanliness and proper hand washing are to keep infections from being spread.

Choose & Tell Card Game – these cards introduce 4-H Cloverbud members to public speaking and basic communication skills. With the easy and engaging activities on these cards, young learners have fun, gain confidence, and develop important leadership skills.

Clover Cubes – combines creativity, cooperation, interaction and fun into a great activity. Clover Cubes help children explore and interact with each other in positive ways. Each cube has six discussion prompts that help children explore a particular topic and share answers with friends.

Connect to College – This 4-H Cloverbud curriculum piece raises awareness of college among 4-H's youngest members through a series of engaging group activities. Includes twelve activities, supporting materials, and On Campus with Cornelius, an original, full-color storybook about an adventurous hedgehog who visits a college.

County 4-H Public Speaking Contest – July 17 at 1:30

No pre-registration required. Sign-up the day of the event at the Washington County Career Center.

Registration begins at 9:00 a.m. The following events are offered to 4-H members (not Cloverbuds):

- **4-H Demonstration & Illustrated Talk without Technology Contest (Junior and Intermediate Divisions)**
 - Presentations, whether given by an individual or a team, should last between 6 and 9 minutes
- **4-H Demonstration & Illustrated Talk with Technology Contest (Intermediate and Senior Divisions)**

2018 4-H Project Judging Guidelines

Members are responsible for the completion of their project and must Attend project judging to remain in good standing with 4-H.

Project Book:

- All members are required to purchase a project book for their project they have enrolled in for the current 4-H year and must bring the completed book to project judging.

Attend Project Judging:

- Attend Judging at the Washington County Career Center July 17, 2018
- Refer to 2018 Schedule in the June/July Newsletter for times
- Make up Judging is scheduled for August 7th starting at 6pm. Call the Extension Office to schedule a time at 740-376-7431.
- All Project Judging must be completed on the day of the event or on make up day.

Project Requirements:

- Bring project book with all required pages completed to judging.
- Refer to the 4-H Project Requirements at <http://washington.osu.edu>
- Arrive 15 minutes before your scheduled time to register / check in
- Bring Educational displays, scrapbook, portfolio, visual aids or props

Project Judging Dress Code:

- The goal of participating in project interviews is to help 4-H members prepare for future interview situations. With that in mind, members should dress as if they were attending a job or college interview. • General appearance should be neat and clean • No t-shirts with inappropriate language or graphics • Jeans or long pants are preferred • Skirts/shorts should reach at least the mid-thigh. • No low-cut tops or visible undergarments • Hats should not be worn during the interview. Examples of appropriate dress: button-down shirts, polos, dressy tops, 4-H club t-shirts, nice jeans, capris, skirts.

Skillathons:

- Prior to being interviewed by the judge at project judging, Skillathons will be completed by clothing, sewing, food and nutrition members. Study sheets will be posted on the 4-H webpage and will be mailed to members before judging.

Registration Process:

- Arrive 15 minutes before your scheduled time to register / check in
- Check in at registration table where volunteers will assist you in filling out the top of your score sheet
- Be sure to write legibly on your score sheet and include name, age, club project name, and project number.

Judging Process and Score Sheet:

- Check-in with the judge's secretary at your interview room and wait to be called for your 5-10 minute interview
- If you have 2 projects at the same time, please tell the judge's secretary
- When you meet the judge, provide them with your score sheet
- The judge will keep your score sheet
- Your score sheet will be filed in a club packet and given to your club advisor for distribution
- Project judging results will be posted by noon on July 18, 2018 at www.washington.osu.edu
- Ribbons will be distributed at the fairs in the Club packets.

Ohio State Fair Selection & Orientation:

- A member attending the July 17, 2018 judging event and scoring a superior (90-100) on their project will be considered for State Fair eligibility. The only exception is that members who cannot attend judging due to another 4-H activity, such as Leadership Camp or Shooting Sports Camp, may have their interview pre-recorded and shown to the judge to be eligible for State Fair participation. If a member is selected for State Fair, they will be notified by mail or contacted by phone. If a selected member cannot attend state fair the alternate will be notified and given the opportunity to compete at State Fair. Members are also required to attend State Fair orientation, receive State Fair information, tickets and have a photo taken on Sunday, July 22 at 1:30.

What Happens at Fair?:

- Clubs will determine which fair they will display a booth. Members are encouraged to display their projects in their club booth and will receive a premium from the fair. For county fair, clothing members need to display book & portfolio and keep the sewing item out for the style revue on Sunday at 4:00

See Junior Fair Activities Guide or Project Judging Requirements for complete details available at the Extension Office or at <http://washington.osu.edu>

8:30 – 11:00 – Goats, Lambs, Poultry

11:30 – 12:30 – Dairy, Rabbit(Except pet rabbit), Horse (except horseless horse)

- All 4-H market livestock, dairy, fancy, breeding and horse project members are required to participate in the skillathon for each of their projects to remain in good standing and to exhibit, show and/or sell at any of our three fairs in the county.
- For Washington County Fair All youth (4-H & FFA) MUST participate in the skillathons for each project in order to be eligible to exhibit show and/or sell.
- Each skillathon will have age divisions: Junior (ages 8-11); Intermediate (ages 12-14); Senior (ages 15 & over). All ages will be as of January 1st of the current year.
- Livestock project members who do not have a copy of the resource guides can use an office copy to study at the OSU Extension Office. Resource books cannot be taken out of the office unless they are purchased. All FFA chapters have copies of the 4-H Resource guides. This Study Guide will serve as the Source of Study Materials for exhibitors.
- Any Skillathon information not found in you resource handbook can be downloaded from www.washington.osu.edu or picked up from the OSU Extension Office
- Skillathon Make-Up Date: August 7 in the evening - youth must call to reserve an appointment by Friday, August 3, 2018 5:00 pm.

Project Interview and Book Judging- Members should complete their project books based on their level (beginner, intermediate, senior). Members should complete the Topic Summary and be prepared to discuss the summary with the judge. Members should also complete pages that relate to feed expenses, rate of gain, growth charts, and treatment record (where applicable). Members should also include a picture of their project animal and insert it on the appropriate page. Some pages may be optional, however it is still best practice to complete the book in its entirety. Judges will give a score based on the pages completed and questions asked by the judge during the project interview.
