

Beef Quality Assurance

Certification and Recertification Training

Beef Quality Assurance (BQA) certification programs are used to validate an individual's knowledge, skills and abilities in cattle production. A multitude of topics including, carcass quality, injection protocol, and animal handling will be covered.

This program offers producers the opportunity to become BQA certified or renew their certification. Certification cycle is 3 years. This training is \$10.00 per person.

April 27, 2026

6:00pm-7:30pm
