

2016 Fertilizer Applicators Certification Training

Fertilizer certification is required for farmers who apply fertilizer (other than manure) to more than 50 acres of land for agricultural production grown primarily for SALE. The term “agricultural production” is defined as the cultivation, primarily for SALE, of plants or any parts of plants on more than 50 acres. If you raise forage (e.g., hay, silage, corn) for use on your farm, you don’t need to have a fertilizer certificate to apply fertilizer. The fertilizer certification must be obtained by September 30, 2017. Training will be offered every year.

Thursday
March 3rd
2016

6:30-9:30 PM

Location:

Marietta High School
Auditorium
208 Davis Avenue
Marietta OH 45750

Questions: (740) 376-7431

1. The Fertilizer Applicator Certification Training is **free** to all applicators who **have** their pesticide license. They only need to attend the meeting for 2 hours from 6:30 – 8:30 PM.
2. People wanting Fertilizer Applicator Certification Training who **do not have** a pesticide license will need to attend the meeting for the 3 full hours from 6:30 - 9:30 PM. They will receive an invoice from the Ohio Department of Agriculture for \$30 after forms completed at the meeting have been sent to the ODA.

Complete registration, detach and mail to: OSU Ext. Wash. Co., Attn: Peg, 202 Davis Ave., Marietta OH 45750 or call our office at 740-376-7431 to let us know you will be attending.
