

A recipe from: Crock-tober Fest—A Slow Cooker Feast

Lava Cake

Serves: 12

Ingredients:

For the cake layer:

15.25 oz. Box of your favorite cake Mix (made according to package)

For the pudding layer:

3.9 oz. instant pudding mix
2 cups milk

For the third layer:

12 oz. bag baking chips

Directions:

1. In a medium-sized bowl combine the cake mix, eggs, water, and oil according to box instructions. Transfer to a greased slow cooker (you could also add a liner or line with parchment paper).
2. In another bowl mix the pudding mix and milk until combined. Pour over top of cake into slow cooker. Do not stir!
3. Sprinkle baking chips over cake.
4. Cover and cook on HIGH for 2-4 hours or until a toothpick inserted in cake portion comes out clean. The middle will jiggle from the pudding. Serve warm.

Variations:

Triple Chocolate- chocolate cake, chocolate pudding and chocolate chips

Pumpkin Spice- spice cake, pumpkin spice pudding and pumpkin spice chips

White Chocolate- white cake, white chocolate pudding and white chocolate chips

Caramel- yellow cake, caramel pudding and caramel bits
